## Story of Hope

*“I want to become self dependent so that I can help my mother”*

I am Khushi Dholiwal. I am 10 years old and I study in class IV in Vimukti Girls School. I joined VGS in 2010.

I live with my mother and one younger sister in a slum of Jawahar Nagar, Jaipur. My father passed away in 2012. After my father's death there was no one to look after us. My grandfather and uncles passed away long time ago.

My mother started working as a washerwoman but the earning was not enough for the whole family. One day my Principal called my mother and offered her to work in

Vimukti Girls School. Since then she is working here as helper and we are now able to meet our expenses.

I enjoy coming to school and love to study, dance and play. I and my sister Nisha, want to complete our schooling from Vimukti and then become self dependent so that we can help our mother.

Thank you Vimukti, for giving us an opportunity to study and live with dignity.

Please help us grow & educate more & more girls like Khushi Dholiwal.
